

UPDATED

Dear Valued Customer,

April 24, 2016

Thank you for your ongoing loyalty and support to the Renaissance Riverside Hotel Saigon!

It is our aim at the Renaissance Hotels to create memorable experiences through exceptional services and emotional connections. We are a hotel for the curious, the adventurous, for those who see every journey as a chance to be inspired by the unexpected, intriguing and the new.

As part of our continued commitment to enhance our property and services and be the leading Lifestyle hotel in Saigon, we are currently preparing for the upcoming renovation of hotel lobby and ground floor restaurant. With the new look, feel and experience we will enable our guests to "Live Life to Discover".

We would hereby like to inform you that the renovation is now confirmed to commence from the week of 16 May and run until end of September 2016. The renovation will have three phases covering the Viet Kitchen restaurant, R Bar and the networking area. The major work will take place around the restaurant and is expected to be completed by end of July or early August.

The hotel will take full responsibility to ensure the highest satisfaction of every guest during the renovation period. Although, please note that there might be some construction noise during week days from 9.30am till 5pm and weekends from 10am till 5pm.

During the restaurant renovation the breakfast will be served at our Chinese restaurant KABIN and Me Linh Ballroom.

Your understanding and continued support during that time and through the renovation is much appreciated and we do apologize for any inconveniences caused.

Yours Sincerely,

Airika Sirak
Director of Sales & Marketing
